Re: Grant No. 04CH010481

Dear Head Start Grantee:

The Office of Head Start (OHS) has determined that your program is currently eligible for a non-competitive five-year grant award to operate the Head Start program. This new award will be issued at the completion of your current project. If the current grant ends on a date that does not align with the annual funding month, please contact the Regional Office to learn about the available options to accommodate such alignment.

Should your program meet one of the conditions specified under [45 CFR Part 1304.11](#) prior to your new award, your agency must report to your Regional Office using HSES Correspondence within 10 working days of occurrence. If OHS determines that your agency has met one of the conditions under [45 CFR Part 1304.11](#) prior to award, your designation will change and you will receive notice that your organization will instead be required to compete for funding.

You must file a complete Form SF-429 with Attachment A ([Real Property Status Report](#)) to establish the existence of property subject to a federal interest for which your organization (or a delegate agency) holds title prior to award and must be filed even if such property does not exist. Note, Information Memorandum (IM): [IM-ACF-OA-20-03](#) provides extensions for financial reporting in response to the COVID-19 public health emergency. Notify your Regional Grants Management Officer via HSES Correspondence, if it's anticipated that the requirements and timeline for submitting this form cannot be met.

Congratulations on your non-competitive designation and thank you for your continued work on behalf of children and families. Please direct questions to your Regional Office.

Sincerely,

/Bernadine Futrell/

Bernadine Futrell, Ph.D.
