[28. District Reopening Plan](#)

[📎 Reopening and CARES.pdf](#)

Chairman Belford called for a recess at 2:50 p.m... prior to the beginning of the re-opening plan.
She reconvened the meeting at 3:00 p.m...

Dr. Mullins presented the District Reopening Plan to the Board and viewing audience prior to the vote. He explained that the Reopening Plan was very similar to the Draft Reopening Plan presented at the July 9, 2020 Board Workshop. He noted the modifications and updates that had been made since then.

- Modification of language around masks
- An update on the elementary work groups to further detail the work and expectations for our schools
- An update on the secondary plans which includes the development of an e-learning option for students
- A review of work conditions related to leave for student and staff in the event they have to be quarantined or test COVID positive
- A calendar modification with a recommendation that they move the student start date of school from August 11 to August 17

Following the presentation of information, Board members went page by page and had extensive and lengthy discussion and had varied questions regarding operations. Consensus among Board members in regards to temperature checks was achieved and will be part of the amended recommendation. The plan will be changed to reflect that students may be made to participate in temperature checks. District leadership will specify guidance to staff and pending their willingness to adhere to the guidelines, will be furnished a touch-less thermometer. A significant portion of time was given to the wearing of masks. It was concluded that the language would remain as presented.

Chairman Belford called for a recess at 4:40 p.m.. and reconvened at: 4:54 p.m..
She recessed the meeting again at 6:10 p.m.. and reconvened at 6:42 p.m..

Conversation ensued surrounding the closure of schools and quarantine scenarios.

Mr. Susin stated that he wanted to make sure that staff is given preference in our Before and After Child Care programs. Ms. Cline, Assistant Superintendent of Elementary Learning and Learning was asked to compile some data to bring back at a later time.

Dr. Mullins provided the Board information on calendar modification based on later start dates. He was recommending a student start date of August 17, 2020 and asked to have a special school board meeting on July 21, 2020 for action. Mr. Susin proposed an August 24, 2020 start date to allow teachers more time to plan. There were factors to be considered and staff will look into the possibility. The delayed start date will be voted on at the special school board meeting on July 21, 2020

Motion

Approve the District Reopening Plan, granting the Superintendent discretion to make necessary changes based upon direction and/or guidance from the Governor, Florida Department of Education, or State/Local Department of Health and grant the Superintendent discretion in lessening the restrictions in the Reopening Plan should the circumstances warrant doing so.
