Board members reviewed the draft compilation of Dr. Mullins' evaluation prior to going over it with Dr. Mullins.

Dr. Mullins came into the workshop where they went over each standard. Board members provided feedback and there was agreement in ways it could be changed. Board members expressed appreciation for Dr. Mullins' leadership and confidence in his abilities. Dr. Mullins told the Board he truly appreciated their time and consideration put into his evaluation and that he is fully committed to continuous improvement.

Standard: 3.4 was changed from [Provided a comprehensive, individualized professional development plan for all district personnel.] to [Provides comprehensive development opportunities for all district employees.]

For next year, delete Standard 8.13 [Maintains satisfactory level of effort and progress relative to duties and responsibilities.] as it is duplicative of other standards.
