General Counsel Gibbs read the executive summary.

Board members had the following suggestions for change:

- Public comment on information items will be heard during the public comment on agenda items.
- Refine the language on signs to make sure signs are not so tall that it obstructs view.

Mr. Susin asked about prioritizing certain groups/individuals such as BFT, 1010, students, and women with small children and allowing them to speak first. Board consensus was not in favor of making anyone a priority. It was decided that it would be acceptable to make a motion to move speakers up depending on the circumstances.

It was agreed to add a part about speakers not being able to yield his/her time to someone else.

There was some discussion about large umbrellas being brought into the Board room. General Counsel Gibbs will work with law enforcement on language regarding umbrellas.
