INSTITUTION: ARTICLE IX - SECTION 1. Public education:

The education of children is a fundamental value of the people of the State of Florida. It is, therefore, a paramount duty of the state to make adequate provision for the education of all children residing within its borders. Adequate provision shall be made by law for a uniform, efficient, safe, secure, and high quality system of free public schools that allows students to obtain a high quality education and for the establishment, maintenance, and operation of institutions of higher learning and other public education programs that the needs of the people may require.

ADDRESSING THE BOARD:

Individuals or groups may address comments to the School Board at any regular meeting by following established procedures set forth in [Board Policy 0169.1](#). All attendees must register his or her intention to speak in the public portion of the meeting upon arrival by completing a speaker's form. The signup period for all public comments, both agenda and non-agenda, will close at the start of the Board meeting.
