	Learning Opportunities for Out-of-State and Out-of-Country Transfer students Needing Additional Instruction to Meet High School Graduation Requirements -s.1003.433, F.S.	Beginning with the 2022-2023 school year, meet the requirement to pass the statewide, standardized grade 10 English Language Arts assessment by satisfactorily demonstrating grade-level expectations on formative assessments, in accordance with state board rule. s.1003.433 (1)-(3), F.S.		53	
		The Commissioner of Education shall design and implement a statewide, standardized assessment program aligned to the core curricular content established in the state academic standards. These tools must accurately measure the core curricular content established in the state academic standards. Participation in the assessment program is mandatory for all school districts and all students attending public schools, including adult students seeking a standard high school diploma under s. 1003.4282 and	The primary purpose of the student statewide, standardized assessment program is to provide student academic achievement and learning gains data to students, parents/legal guardians, school administrators, and District staff. This data is to be used by districts to improve instruction; by students, parent/legal guardians, and teachers to guide learning objectives; by education researchers to assess national and international education	57	58
