INSTITUTION: ARTICLE IX - SECTION 1. Public education:

The education of children is a fundamental value of the people of the State of Florida. It is, therefore, a paramount duty of the state to make adequate provision for the education of all children residing within its borders. Adequate provision shall be made by law for a uniform, efficient, safe, secure, and high quality system of free public schools that allows students to obtain a high quality education and for the establishment, maintenance, and operation of institutions of higher learning and other public education programs that the needs of the people may require.

ADDRESSING THE BOARD:

This meeting is for the Board to conduct interviews with the finalists and no decisions will be made. Public comments prior to the interviews will not serve to assist the Board in making a decision; therefore, there will be no public comments at this meeting. There will be public comments at the next Board meeting which will afford the public an opportunity to provide their input pertaining to the interviews to assist Board members with reaching a decision.
