Class Size Reduction (CSR) Compliance Plan

Plan Year:	District #	District Name:
2022 – 2023	005	Brevard

For each school not in compliance with class size requirements pursuant to Section 1003.03, F.S., and in order to participate in the restoration calculation authorized in Section 1003.03 (4) (e), F.S., class size reduction implementation strategies listed in Sections 1003.03 (3) and (5), F.S., were considered, in addition to strategies not listed in statute, in order to meet class size requirements.

School Name: Atlantis Elementary	School Number: 0201
---	----------------------------

Brevard Public Schools is a district-operated Schools of Choice District. **Atlantis Elementary (0201)** was out of class size compliance in the October 2022 Full-Time Equivalent (FTE) student enrollment survey.

The following scheduling practices will be implemented by the district to be in class size compliance by October:

- All schools will continue to work with the district staff to recruit and retain quality instructional personnel.
- School principals will work to ensure classroom teaching positions are occupied first, prior to meeting the needs of instructional coaches and Title 1 intervention teachers. Principals may reclass non-classroom teachers into the position of classroom teachers following BFT contract language to meet class size requirements.
- The district will continue to support, train, and facilitate school teams on scheduling.
- The district will continue to monitor class size and make staffing changes beginning in August of 2023 based upon class size.
- Brevard Public Schools will continue to recruit and hire instructional staff to meet class size throughout the school year.
