PREFERRED/DESIRED:

Career Ladder position may be advertised under the PAR title code where the level is determined by credentials of the candidate recommended for hire. Movement between levels is predicated on the achievement of prescribed and tangible credential advancement of the individual, pre-approved budget, and written documentation that justifies the department need. Additionally, any requested movement must be recommended by the department Director (additional considerations include employee performance, skill mastery, employee initiative, and the individual's accountability in growing their own knowledge base), as well as the recommendation of the Cabinet Level Approver. All recommendations must further be approved through Budget and Human Resources leadership.

PERFORMANCE RESPONSIBILITIES

ESSENTIAL FUNCTIONS:

The tasks/competencies listed below represent most of the time spent working in this position. Supervisor may assign additional tasks within the scope of this classification as necessary.

1. Assist in the repair and installation of fire alarm, intercom, and sound systems.
2. Complete minor electronics repair.
3. Perform checks and test using electronic testing equipment.
4. Create and maintain records and reports.
5. Utilize personal computer for information gathering and reporting.
6. Provide on-call services pursuant with the on-call schedule.

Additional tasks for Level II

7. Repair and/or install fire alarm, intercom, and sound systems using basic repair techniques with general supervision.
8. Inspection of district fire alarm, intercom, and sound systems using standard inspection techniques.
9. Complete basic fire alarm, intercom, and sound system installations.

Additional tasks for Level III

10. Ability to work independently.
11. Schedule and prioritize daily workload in support of Supervisor.
12. Inspect and diagnose systems utilizing electronic diagnostic equipment.
13. Review drawings and specification for deficiencies pertaining to fire alarm and other low voltage systems.
14. Prepare equipment and parts orders as necessary.
15. Assist in determining proper placement and installation of fire alarm and intercom equipment.

ELECTRONICS TECHNICIAN

OTHER DUTIES:

Performs other duties as assigned commensurate with the skills and abilities of the position. Provides outstanding customer service and uses positive interpersonal communications skills. Makes all decisions and performs all tasks in accordance with Brevard Public Schools' strategic plan, vision, and mission.
