**PRICE INCREASE / DECREASE EXPLANATION:** Quantity of licenses has been reduced by approximately 5,000. The decrease in licenses is due to the addition of state supported progress monitoring. The FLDOE has indicated that it will be supporting progress monitoring through Grade 8 Math. This is to continue progress monitoring in Algebra and Geometry.

**DISCUSSION:**

MAP Growth is a progress-monitoring tool offered by NWEA, a not-for-profit organization. The NWEA MAP Growth tool measures what students know and informs what they're ready to learn next. It's adaptive and adjusts to each student's responses to accurately measure performance. MAP Growth Reports provide insight into student knowledge and potential learning gaps.

The standard amendment template has been used, which does not require legal review.

**CONTRACT TERM:**

The contract renewal term shall commence July 1, 2022 and continue until June 30, 2023.

**RECOMMENDATION:**

It is the recommendation of Dr. Stephanie Soliven, Assist Superintendent of Secondary Leading & Learning, and Sherri Bowman, Director of Secondary Leading & Learning to approve the attached amendment with NWEA in the amount of \$88,379.00.
