The remedy provided to the Indemnitees by this indemnification is in addition to and not in lieu of any other remedy available under this Agreement or otherwise. CONTRACTOR's available insurance under this Agreement, or otherwise, will not diminish or limit this indemnification obligation in any way. The remedy provided to the Indemnitees by this indemnification survives this Agreement. The provisions of this Section specifically survive the termination of this Agreement. The provisions of this Section are intended to require the CONTRACTOR to furnish the greatest amount of indemnification allowed under Florida law. If any indemnification requirement in this Agreement violates any law, the Parties agree the provision requires the greatest level of indemnification by the CONTRACTOR to the Indemnitees allowable under Florida law. CONTRACTOR acknowledges that indemnification by the SCHOOL BOARD may be unenforceable under Florida law and that the SCHOOL BOARD does not waive any legal defense based on the unenforceability of such indemnification position. This indemnification shall not apply to any claims, suits, actions, damages, losses, expenses, and/or a cause of action, arising from BPS's sole gross negligence or intentional misconduct. The agreement to indemnify, as outlined in this section, includes an obligation for Contractor to indemnify BPS for liability for any negligence on the part of BPS until/unless both Contractor and BPS agree that BPS was solely negligent. If the question of "solely negligent" should arise, a court agreeable to both Parties may be engaged to settle this dispute.

Nothing in this Agreement shall be deemed to affect the rights, privileges, or be deemed a waiver of, or limitation of, BPS's sovereign immunity protection and limitations of liability pursuant to Section 768.28, F.S. Any indemnity or assumption of liability by BPS hereunder shall be subject to BPS's rights to sovereign immunity and any other limitations of liability provided BPS pursuant to Florida law.

BPS and Contractor each binds itself and its partners, successors, executors, administrators, and assigns to the other Party of this Agreement and to the partners, successors, executors, administrators, and assigns of such other Party, in respect to all covenants of this Agreement. Neither BPS nor Contractor shall assign, sublet, convey, or transfer its interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of BPS, which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than BPS and Contractor.

16. GOVERNING LAW AND REMEDIES.

16.1. This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary arising out of the Agreement will have its venue in Brevard County and the Agreement will be interpreted according to the laws of Florida. No remedy herein conferred upon any party is intended to be exclusive

of any other remedy, and each and every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

- 16.2. If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of a dispute, breach, default, or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, court costs, and all expenses (including taxes) even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

Contractor further represents that no person having any interest shall be employed for said performance of services. Contractor shall promptly notify BPS in writing by certified mail of all potential conflicts of interest for any prospective business association, interest, or other circumstances that may influence or appear to influence Contractor's judgment or quality of Services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstances and the nature of work that Contractor may undertake. Contractor shall request an opinion by BPS as to whether the association, interest, or circumstance would, in the opinion of BPS, constitute a conflict of interest if entered into by Contractor. BPS agrees to notify Contractor of its opinion by certified mail within thirty (30) calendar days of receipt of notification by Contractor. If, in the opinion of BPS, the prospective business association, interest, or circumstance would not constitute a conflict of interest by Contractor, BPS shall so state in its response, and Contractor may, at its option, enter into said association, interest, or circumstance and it shall be deemed not a conflict of interest with respect to the Services provided to BPS by Contractor under the terms of this Agreement. If BPS, in its sole discretion, determines that there is a conflict, Contractor shall not enter into or if already entered into, will immediately terminate such arrangement or Agreement with the subject business associate.

18. INDEPENDENT CONTRACTOR RELATIONSHIP.

- 18.1. Contractor is, and shall be, in the performance of all Services and activities under this Agreement, an independent contractor, and not an employee, agent, or servant of BPS. - 19. ARREARS.** Contractor shall not pledge BPS's credit or make it a guarantor of payment or surety for any agreement, debt, obligation, judgment, lien, or any form of indebtedness. Contractor further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Agreement.

20. CONFIDENTIAL INFORMATION AND DISCLOSURE OF DOCUMENTS.

- 20.1. Contractor shall deliver to BPS for approval and acceptance, and before eligible for final payment of any amounts due, all documents and materials prepared by Contractor for BPS under this Agreement.

BPS agrees it shall comply with all applicable laws, codes, ordinances, permitting, and regulations in connection with the Services to be provided hereunder.
- 28. SEVERABILITY.** If any terms or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, such term or provision shall be stricken and deemed unenforceable and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.
- 29. NAMES; TRADEMARKS.** Contractor shall acquire no rights under the Agreement to, and shall not use, the name of The School Board of Brevard County, Florida or the name of "Brevard County Schools" or "BPS" either alone or in conjunction with or as part of any other name, word, mark, picture, logo, design, and/or trademark (collectively, "BPS Marks") in any of Contractor's advertising, publicity, or promotion; to express or imply any endorsement by BPS or Brevard County Schools of its Services; or in any other manner (whether or not similar to the uses hereinabove specifically prohibited) without the prior review and written approval by BPS, except as expressly permitted herein. - 31.2. **Compliance with Laws and BPS Policies and Procedures.** Contractor will not knowingly permit any Contractor's personnel to have access to any BPS facility or any records or data of BPS if the person has been convicted of a crime in connection with (1) a dishonest act, breach of trust, or money laundering, or has agreed to enter into a pretrial diversion or similar program in connection with a prosecution for such offense, as described in Section 19 of the Federal Deposit Insurance Act, 12 U.S.C. §1829(a); or (2) a felony. Further, Contractor, and its officers, employees, agents, and representatives, shall fully indemnify and hold BPS harmless for any violation of this provision including, but not limited to, defending BPS and its officers, employees, agents, and representatives against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon BPS, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon BPS arising out of the breach of this provision by Contractor, its officers, employees, agents, or representatives, to the extent that the Contractor, or its officers, employees, agents, or representatives, shall either intentionally or negligently violate this provision, Sections 1002.22 and 1002.221, F.S., or other applicable state, local, or federal laws, rules, or regulations. This provision shall survive the termination of or completion of all performance obligations under this Agreement, and shall remain fully binding upon Contractor. A separate Non-Disclosure Agreement may be required.
- 31.4. **HIPAA, CIPA, and GLBA.** Contractor also agrees to comply with all applicable state and federal laws, regulations, and BPS policies including Privacy Rights of Students, Computer Users' Responsibilities, Security of Computing Resources, Security of Data, Privacy of Computing Resources, Health Information Privacy and Accountability Act (HIPAA), Children Internet Protection Act (CIPA), and the Gramm-Leach Bliley Act (GLBA).
- 31.5. **Data Security.** Contractor agrees to protect and maintain the security of data with protection security measures that include maintaining secure environments that are patched and up to date with all appropriate security updates as designated by a relevant authority (e.g. Microsoft notifications, etc.). Likewise, BPS agrees to conform to the following measures to protect and secure data:
- 31.5.1. **Data Transmission.** Contractor agrees that any and all transmission or exchange of system application data with BPS and/or any other parties shall take place via secure means, e.g. HTTPS, FTPS, SFTP, or equivalent.
- 31.5.2. **Data Storage and Backup.** Contractor agrees that any and all BPS data will be stored, processed, and maintained solely on designated servers and that no BPS data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, unless that storage medium is in use as part of Contractor's designated backup and recovery processes. All servers, storage, backups, and network paths utilized in the delivery of the service shall be contained within the states, districts, and territories of the United States unless specifically agreed to in writing by BPS with designated data, security, or signature authority. An appropriate officer with the necessary authority can be identified by BPS for any general or specific case.
- 31.5.3. Contractor agrees to store all BPS backup data stored as part of its backup and recovery processes in encrypted form, using no less than 128 bit key.

- 31.5.4. **Data Re-Use.** Contractor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in this Agreement. Data shall not be distributed, repurposed, or shared across other applications, environments, or business units of Contractor. As required by Federal law, Contractor further agrees that no BPS data of any kind shall be revealed, transmitted, exchanged, or otherwise passed to other contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by an BPS officer with designated data, security, or signature authority.
- 31.6. **End of Agreement Data Handling.** Contractor agrees that upon termination of this Agreement it shall return all data to BPS in a useable electronic form, and erase, destroy, and render unreadable all BPS data in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities, and certify in writing that these actions have been completed within thirty (30) days of the termination of this Agreement or within seven (7) days of the request of an agent of BPS, whichever shall come first.

- 31.8. **Mandatory Disclosure of Protected Information.** If Contractor becomes compelled by law or regulation (including securities laws) to disclose any Protected Information, Contractor will provide BPS with prompt written notice so that BPS may seek an appropriate protective order or other remedy. If a remedy acceptable to BPS is not obtained by the date that Contractor must comply with the request, Contractor will furnish only that portion of the Protected Information that it is legally required to furnish, and Contractor shall require any recipient of the Protected Information to exercise commercially reasonable efforts to keep the Protected Information confidential.
- 31.9. **Remedies for Disclosure of Confidential Information.** Contractor and BPS acknowledge that unauthorized disclosure or use of the Protected Information may irreparably damage BPS in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any Protected Information shall give BPS the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys' fees). Contractor hereby waives the posting of a bond with respect to any action for injunctive relief. Contractor further grants BPS the right, but not the obligation, to enforce these provisions in Contractor's name against any of Contractor's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.
- 31.10. **Safekeeping and Security.** As part of the Services, Contractor will be responsible for safekeeping all keys, access codes, combinations, access cards, personal identification numbers, passwords, and similar security codes and identifiers issued to Contractor's employees, agents, or subcontractors. - 31.11. **Non-Disclosure.** Contractor is permitted to disclose Confidential Information to its employees, authorized subcontractors, agents, consultants, and auditors on a need to know basis only, provided that all such subcontractors, agents, consultants, and auditors have written confidentiality obligations to Contractor and BPS.
- 31.12. **Request for Additional Protection.** From time to time, BPS may reasonably request that Contractor protect the confidentiality of certain Protected Information in particular ways to ensure that confidentiality is maintained. Contractor has the right to reasonably decline BPS's request.

Agency Background

Brevard C.A.R.E.S. (Coordination, Advocacy, Resources, Education and Support) is a nonprofit 501(c) (3) organization that provides evidence-based Family Strengthening innovations, Family Team Conferencing, community-based service coordination and support to at-risk families so that they may remain in their homes, community, and schools-free from system involvement. Front-end prevention and diversion services are delivered so that families receive intervention and support before they reach the threshold of abuse. Brevard C.A.R.E.S. contracts and coordinates with several community services programs and organizations, as well professional partners, so that each child and family has one, well-coordinated, seamless plan of care that expands upon a family's strengths while developing natural and informal supports that can help to sustain a family long-term. Since inception in 2005, Brevard C.A.R.E.S. has successfully served at risk families using innovative family strengthening techniques to reduce the number of children that require formal system involvement

The core principles of practice focus on adherence to the Principles of Wraparound (as defined by the National Wraparound Initiative at the University of Portland RTC) through use of Family Team Conferencing and Care Coordination of resources and supports that are both informal and formal. These are at the "heart" of a program that utilizes strength-based and family-centered practice principles of family and youth engagement. These principles empower families to function independently by teaching them the skills to navigate systems, while they improve family functioning through attainment of measurable outcomes and goals. The principles ensure inclusion of community supports; resources and services that are accessible and tailored to the unique needs of each family within a flexible, responsive, culturally competent service delivery system. Family voice and choice drives the planning process and families are valued as equal partners at the table. Family successes within the program are always celebrated! Active Crisis and Safety Planning is used to effectively support and plan for family crisis, while imparting hope and empowering families to be self-sustaining. Through the collaborative nature of Brevard C.A.R.E.S, a common vision emerged. Stakeholders were driven to improve the lives of children and families by promoting change and shared responsibility among agencies, professionals and the community-at-large, and to "strengthen families by doing whatever it takes."

Research and data has proven that the C.A.R.E.S. model results in improved functioning and independence of families once they have successfully completed the program. This is evidenced by a high rate of consumer satisfaction (99% of consumers are satisfied with the Brevard C.A.R.E.S. program) and low recidivism rates at the six, twelve, eighteen and twenty four month follow up of 94%, 92%, 94% and 92%, respectively (from fiscal year 2016). The C.A.R.E.S. model achieved evidence-based status in 2016 and is listed on the California Evidence Based Clearinghouse.

The Community Services Program Manager of Brevard C.A.R.E.S. is responsible for the oversight of all administrative, fiscal, and programmatic activities of the program. The Executive Director is the principal point-of-contact and project lead on any research and data analysis of Brevard C.A.R.E.S.. The Executive Director of Brevard C.A.R.E.S. has served in the human services sector for over 14 years practice.

Brevard C.A.R.E.S. Service Delivery for Head Start Families

After the Brevard Public Schools Family Advocate has identified that a Head Start family is at high risk and experiencing an acute crisis, the Brevard C.A.R.E.S. Head Start Care

Coordinator will be alerted for immediate response and is responsible for the implementation and management of an individualized and comprehensive care plan through the provision of intensive care coordination. The Care Coordinator will meet directly with the family no later than one business day to assess family strengths and help the family identify their needs, goals and vision. The Care Coordinator will remain connected with the family to participate in Wraparound Family Team Conferencing meetings and to serve as a support and advocate for the family. The Care Coordinator will then assemble a team based upon the family preferences made up of formal (if indicated such as therapist, case manager, teacher) and natural supports (friends, neighbors, church members) and set up the initial Family Team Conference, develop an individualized care plan that guides the family and team in pursuing goals identified and ensure that services and supports identified on the Care Plan are in place, well-coordinated and change with the changing needs of the family over time. The acuity of the family drives the frequency of Family Team Conferences needed. Intensive case management will be provided to those families identified as high risk in Head Start with the greatest and most complex service needs. This may include individuals who are homeless or at risk of homelessness, have a mental health need, persons with substance misuse challenges and families who have been involved with the criminal justice system, with the Department of Juvenile Justice or with the Agency for Persons with Disabilities system.

The Brevard C.A.R.E.S. Care Coordinator will utilize the 24/7 Mobile Response Services consisting of Masters Level Therapists responding on site to de-escalate crises and promote family stabilization. Brevard C.A.R.E.S. has a network of over 75 providers that provide the following services: assessments and evaluations, social skills acquisition, child care, clinical consultations, diversion from juvenile delinquency and coordination of services, domestic violence services, family therapy, flexible funding (rent, electric, water bills with no other identified funding source), housing and employment assistance, intensive family services, individual therapy, mentoring and certified behavior analyst services, outreach to families, parenting groups, post adoption support groups and services, relative and non-relative support, substance abuse counseling, therapeutic groups, trauma and recovery education and training, behavior management, parent education classes and parenting groups, family mentoring services, parent support and advocacy, family preservation, functional family therapy, clinical intervention programs, social skills building groups, anger management, psychological evaluations, psychiatric evaluations, medication management, sexual abuse counseling services, transportation and legal services related to child custody. Each service request is customized to the unique needs of the child and family and centrally authorized by Care Coordinators who have "real time" access to services and community resources as alternatives to "paid" services. The frequency and duration of services are authorized by the team and reauthorized as needed at subsequent Utilization Reviews which are scheduled according to acuity for close monitoring when warranted. This promotes efficient use and maximization of resources that tailors the level and type of support as progress or need indicates. Brevard C.A.R.E.S. may utilize respite providers that provide short term options while youth may be awaiting placement in Sub acute Inpatient Psychiatric Program (SIPP) or inpatient substance abuse treatment. Respite can also be used while intensive in home services are being coordinated.

When indicated, the Care Coordinator may authorize flexible support services for each family to fill in any gaps in the service delivery system using Brevard C.A.R.E.S. provider network of contracted and rate agreement providers for any additional supports and services identified through the Family Team Conferencing process and outlined in the care plan that are not currently being provided through Brevard Public Schools, Substance Abuse and Mental Health Funding, Medicaid or other means of third party billing. Flexible funding may also be provided for financial needs of the family that will not be serviced by other means. The Care

Coordinator will exhaust all other available community and in kind resources. Flex funds should be considered at the Family Team Conference with alternative options considered. Flex funds are a one-time assistance and tied to a *clinical* basic need of a family. Flex funds can assist with the removal of a barrier to achieve a goal for the family. This resource is meant to address the necessities of life; rather than what is merely "desirable." Care Coordinators are "resource experts" and exercise due diligence in securing resources that are of no cost to the family which is at the heart of true Wraparound. This also includes tangible goods directly for the benefit of the families served. The facility use of the Family Resource Center and volunteers may also be used to contribute towards match.

The Care Coordinator will utilize Nurturing Skills for Families (NSF) as part of its in-home program design when addressing specific parenting needs. The Nurturing Skills for Families (NSF) is a program designed to provide flexibility in meeting the specific parenting needs of families. NSF is a compilation of eighty lessons that are presented in the Lessons Guide for Parents and eighty-five lessons presented in the Lesson Guide for Children. A review of the Nurturing Parenting Programs show the lessons incorporate the theoretical and practical foundations of all six currently recognized Protective Factors. The goal underlying the NSF is to tailor make specific parenting programs designed to meet the needs of individual families thereby increasing parents' commitment and participation. The parents and the Care Coordinator work together in creating "family specific parenting programs." The NSF program maintains the fidelity of the evidence based Nurturing Parenting model, yet offers flexibility to allow for the individual needs of the family and can be delivered in the home.

Funding Costs

The proposed funding cost is \$64,800 annually. This will provide staff salary and benefits for one full time Care Coordinator who will also provide training, technical assistance and consultation. This position will serve as an ancillary support to Brevard Public Schools Family Advocates and provide Crisis Intervention, Family Team Conferencing and Care Coordination for families who have been determined to be at high risk or are in need of crisis stabilization.

Thereafter, the billable unit rate per family served per month is \$225.00. The billable unit rate includes all service coordination and authorization of services activities, preparation for the Family Team Conference, contacting providers and Family Team members, use of the Mobile Response Team for crises, Intensive Case Management Activities, authorization of services, client advocacy, and face to face visits with the family, Crisis and Safety Planning and related transition activities.
