DISCUSSION:

An Invitation to Bid (ITB) was issued seeking firm fixed pricing to install infrastructure and district provided hardware to support exterior wireless access points districtwide on April 12, 2022. Seven responses were received. It has been determined to be in the best interest of the School Board to reject all responses and reissue the solicitation with revised specifications.

In accordance with Florida Statute 119.071, (1) (b) 3. “the rejected bids, proposals, or replies remain exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation. A bid, proposal, or reply is not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.”

The standard ITB template has been used, which does not require legal review.
