PRICE INCREASE / DECREASE EXPLANATION:

The cost of goods and services has been significantly impacted by the pandemic. Vendor operating costs have increased due to the rising prices of gas, labor, and food products. In addition, disruptions to the supply chain, and increased consumer demand, have contributed to higher costs.

DISCUSSION:

The purpose of this award is to have set pricing for cafeteria chemicals and supplies to support the kitchen operation on an as-needed basis.

The standard agreement template has been used, which does not require legal review.

CONTRACT TERM:

The initial contract term shall renew on July 1, 2022 and continue through June 30, 2024.

RECOMMENDATION:

It is the recommendation of Robin Novelli, Chief Operating Officer, and Kevin Thornton, Director of Food & Nutrition Services, to approve the price increase as requested and to continue with the above contractor.
