**14. INDEMNIFICATION.**

14.1. To the fullest extent permitted by law, CONTRACTOR shall indemnify and hold harmless SCHOOL BOARD, and its employees ("Indemnitees") from and against all claims, liabilities, damages, losses, and costs including, but not limited to, reasonable costs, and attorneys' fees at the pre-trial, trial, and appellate levels, arising out of, resulting from, or incidental to CONTRACTOR's performance under this Agreement or to the extent caused by negligence, recklessness, or intentional wrongful conduct of CONTRACTOR or other persons employed or utilized by CONTRACTOR in the performance of this Agreement. The remedy provided to the Indemnitees by this indemnification is in addition to and not in lieu of any other remedy available under this Agreement or otherwise. CONTRACTOR's available insurance under this Agreement, or otherwise, will not diminish or limit this indemnification obligation in any way. The remedy provided to the Indemnitees by this indemnification survives this Agreement. The provisions of this Section specifically survive the termination of this Agreement. The provisions of this Section are intended to require the CONTRACTOR to furnish the greatest amount of indemnification allowed under Florida law. If any indemnification requirement in this Agreement violates any law, the Parties agree the provision requires the greatest level of indemnification by the CONTRACTOR to the Indemnitees allowable under Florida law. CONTRACTOR acknowledges that indemnification by the SCHOOL BOARD may be unenforceable under Florida law and that the SCHOOL BOARD does not waive any legal defense based on the unenforceability of such indemnification position. This indemnification shall not apply to any claims, suits, actions, damages, losses, expenses, and/or a cause of action, arising from BPS's sole gross negligence or intentional misconduct. The agreement to indemnify, as outlined in this section, includes an obligation for Contractor to indemnify BPS for liability for any negligence on the part of BPS until/unless both Contractor and BPS agree that BPS was solely negligent. If the question of "solely negligent" should arise, a court agreeable to both Parties may be engaged to settle this dispute.

14.2. Nothing in this Agreement shall be deemed to affect the rights, privileges, or be deemed a waiver of, or limitation of, BPS's sovereign immunity protection and limitations of liability pursuant to Section 768.28, F.S. Any indemnity or assumption of liability by BPS hereunder shall be subject to BPS's rights to sovereign immunity and any other limitations of liability provided BPS pursuant to Florida law.

**15. SUCCESSORS AND ASSIGNS.** BPS and Contractor each binds itself and its partners, successors, executors, administrators, and assigns to the other Party of this Agreement and to the partners, successors, executors, administrators, and assigns of such other Party, in respect to all covenants of this Agreement. Neither BPS nor Contractor shall assign, sublet, convey, or transfer its interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of BPS, which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than BPS and Contractor.

**16. GOVERNING LAW AND REMEDIES.**

16.1. This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary arising out of the Agreement will have its venue in Brevard County and the Agreement will be interpreted according to the laws of Florida. No remedy herein conferred upon any party is intended to be exclusive

of any other remedy, and each and every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

- 16.2. If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of a dispute, breach, default, or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, court costs, and all expenses (including taxes) even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

**17. CONFLICT OF INTEREST.** Contractor represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of Services required hereunder, as provided for in Section 112.311, F.S. Contractor further represents that no person having any interest shall be employed for said performance of services. Contractor shall promptly notify BPS in writing by certified mail of all potential conflicts of interest for any prospective business association, interest, or other circumstances that may influence or appear to influence Contractor's judgment or quality of Services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstances and the nature of work that Contractor may undertake. Contractor shall request an opinion by BPS as to whether the association, interest, or circumstance would, in the opinion of BPS, constitute a conflict of interest if entered into by Contractor. BPS agrees to notify Contractor of its opinion by certified mail within thirty (30) calendar days of receipt of notification by Contractor. If, in the opinion of BPS, the prospective business association, interest, or circumstance would not constitute a conflict of interest by Contractor, BPS shall so state in its response, and Contractor may, at its option, enter into said association, interest, or circumstance and it shall be deemed not a conflict of interest with respect to the Services provided to BPS by Contractor under the terms of this Agreement. If BPS, in its sole discretion, determines that there is a conflict, Contractor shall not enter into or if already entered into, will immediately terminate such arrangement or Agreement with the subject business associate.

**18. INDEPENDENT CONTRACTOR RELATIONSHIP.**

18.1. Contractor is, and shall be, in the performance of all Services and activities under this Agreement, an independent contractor, and not an employee, agent, or servant of BPS. All persons engaged in any of the work or Services performed pursuant to this Agreement shall at all times, and in all places, be subject to Contractor's sole direction, supervision, and control. Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects to Contractor's relationship and the relationship of its employees to BPS shall be that of an independent contractor and not as employees or agents of BPS. Contractor does not have the power or authority to bind BPS in any promise, agreement, or representation.

18.2. Nothing contained herein shall be deemed to create an association, partnership, joint venture, or relationship of principal and agent or master and servant among the Parties or any affiliate thereof, or to provide any Party hereto with the right, power, or authority whether expressed or implied, to create any such duty or obligation on behalf of any other Party.

**19. ARREARS.** Contractor shall not pledge BPS's credit or make it a guarantor of payment or surety for any agreement, debt, obligation, judgment, lien, or any form of indebtedness. Contractor further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Agreement.

**20. CONFIDENTIAL INFORMATION AND DISCLOSURE OF DOCUMENTS.**

20.1. Contractor shall deliver to BPS for approval and acceptance, and before eligible for final payment of any amounts due, all documents and materials prepared by Contractor for BPS under this Agreement.

20.2. All BPS written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by BPS at its expense will be kept as Confidential Information by Contractor and will not be disclosed to any other party, directly or indirectly, without BPS's prior written consent unless required by a lawful order of court. All drawings, maps, sketches, and other data developed or purchased under this Agreement or at BPS's expense shall be and remains BPS's property

and may be reproduced and reused at the discretion of BPS. As requested, BPS shall comply with the provisions of Chapter 119, F.S.

- 20.3. The Party receiving Confidential Information will not at any time disclose to any person or entity (including, without limitation, any member of the media) or use for its own benefit or the benefit of anyone, Confidential Information of the other Party without the prior written consent of said Party. Neither Party shall be liable for disclosure of Confidential Information if made in response to a valid order of a court, authorized agency of government, or in compliance with Chapter 119, F.S.

## **21. PUBLIC RECORDS.**

- 21.1. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE BPS CUSTODIAN OF PUBLIC RECORDS AT (321) 633-1000 ext. 11453, [recordsrequest@brevardschools.org](mailto:recordsrequest@brevardschools.org), BREVARD COUNTY PUBLIC SCHOOLS, RECORDS MANAGEMENT, 2700 Judge Fran Jamieson Way, Viera, Florida 32940.**
- 21.2. Contractor acknowledges its legal obligation to comply with Section 119.0701, F.S. Contractor shall keep and maintain public records, as that phrase is defined in the Florida Public Records Act, which would be required to be kept and maintained by BPS in order to perform the scope of services. Contractor shall comply with all requirements for retaining public records and shall transfer, at no cost to BPS, all public records in the possession of Contractor upon a request for such public records. See Section 119.0701(2)(b)4, F.S., for additional record keeping requirements.
- 21.3. A request to inspect or copy public records relating to BPS's contract for services must be made directly to BPS's Custodian of Public Records. If BPS does not possess the requested records, BPS's Custodian of Public Records shall immediately notify Contractor of the request. Contractor must provide a copy of the records to BPS or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. If Contractor does not timely comply with BPS's request for records, BPS shall be able to sue for breach of contract and the prevailing party shall be entitled to attorney's fees.
- 21.4. Should Contractor fail to provide the requested public records to BPS within a reasonable time, Contractor understands and acknowledges that it may be subject to penalties under Sections 119.0701(3)(c) and 119.10, F.S.
- 21.5. Upon completion, expiration, or termination of this Agreement, Contractor shall transfer, at no cost to BPS, all public records in its possession or keep and maintain public records required by BPS to perform the services. If Contractor transfers all public records to BPS, Contractor shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If Contractor keeps and maintains public records upon completion, expiration, or termination of this Agreement, Contractor shall meet all applicable requirements for retaining public records and provide requested records to BPS pursuant to the requirements of this Article. All public records stored electronically must be provided to BPS in a format that is compatible with the information technology systems of BPS.

- 22. CONTINGENT FEES.** Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement.

- 23. ACCESS AND AUDITS.** Contractor shall maintain adequate records to justify all charges, expenses, and costs incurred in performing the work for at least seven (7) years after completion of this Agreement. All servers, storage, backups, and network paths utilized in the delivery of the service shall be contained within the states, districts, and territories of the United States unless specifically agreed to in writing by BPS with designated data, security, or signature authority. An appropriate officer with the necessary authority can be identified by BPS for any general or specific case.
- 31.5.3. Contractor agrees to store all BPS backup data stored as part of its backup and recovery processes in encrypted form, using no less than 128 bit key.
- 31.5.4. **Data Re-Use.** Contractor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in this Agreement. Data shall not be distributed, repurposed, or shared across other applications, environments, or business units of Contractor. As required by Federal law, Contractor further agrees that no BPS data of any kind shall be revealed, transmitted, exchanged, or otherwise passed to other contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by an BPS officer with designated data, security, or signature authority.

- 31.8. **Mandatory Disclosure of Protected Information.** If Contractor becomes compelled by law or regulation (including securities laws) to disclose any Protected Information, Contractor will provide BPS with prompt written notice so that BPS may seek an appropriate protective order or other remedy. If a remedy acceptable to BPS is not obtained by the date that Contractor must comply with the request, Contractor will furnish only that portion of the Protected Information that it is legally required to furnish, and Contractor shall require any recipient of the Protected Information to exercise commercially reasonable efforts to keep the Protected Information confidential.
- 31.9. **Remedies for Disclosure of Confidential Information.** Contractor and BPS acknowledge that unauthorized disclosure or use of the Protected Information may irreparably damage BPS in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any Protected Information shall give BPS the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys' fees). Contractor hereby waives the posting of a bond with respect to any action for injunctive relief. Contractor further grants BPS the right, but not the obligation, to enforce these provisions in Contractor's name against any of Contractor's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.

Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the

administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

## **Attachment B: Davis-Bacon Act and Copeland "Anti-Kickback" Act**

When required by Federal program legislation, this section applies to any contract in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds. If applicable, the Contractor agrees to comply with the provisions of 29 CFR, Part 5.5(a) during the performance of this contract:

(1) Minimum wages. (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in §5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. The (write in name of Federal Agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract,

the (Agency) may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records. (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency). The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency), the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under §5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the (write the name of the agency) or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees—(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft

classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the (write in the name of the Federal agency) may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility. (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

### **Attachment C: Contract Work Hours and Safety Standards Act**

This section applies to any contract in excess of \$100,000 that involves the employment of mechanics and laborers and is financed in whole or in part from Federal funds. If applicable, the Contractor agrees to comply with the provisions of 29 CFR, Part 5.5(b) during the performance of this contract:

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.
