DISCUSSION:

Along with the ability to create, administer, and score local common assessments, the Performance Matters (PM) platform offers nearly 100 interactive reports and dashboards useful for monitoring student achievement and differentiating instruction. PM tracks over 150 student level Early Warning Indicators in attendance, behavior, grades, school mobility and retention. The “Response to Intervention” (Rti) module incorporates all of the relevant student measures for remediation, not just interventions.

Performance Matters platform has a solid record of accomplishment as it has been successfully implemented in at least 35 school districts in Florida as well as many K-12 systems around the country.

The proposed solution satisfies a significant number of requirements associated with our district's effort “To serve every student with excellence as the standard”.

A revised vendor-provided agreement has been used and approved by Legal Services on May 7, 2020.

CONTRACT TERM:

The contract term commenced July 1, 2021 and will continue until June 30, 2024.

RECOMMENDATION:

It is the recommendation of Dr. Stephanie Soliven, Assistant Superintendent of Secondary Leading & Learning and Jane Cline, Assistant Superintendent of Elementary Leading & Learning to approve the attached agreement with PowerSchool Group, LLC.

5. FEES AND TAXES. Customer agrees to pay PowerSchool, in accordance with payment

terms on the PowerSchool Quote and invoice, the fees charged for the PowerSchool Product(s) and related Services and/or other items ordered by Customer, together with any other charges made in accordance with this Agreement, and all applicable sales, use, or other taxes or duties, however designated, except for taxes based on PowerSchool’s net income. Customer agrees to pay for PowerSchool’s pre-approved reasonable travel and lodging expenses for Professional Services performed at Customer’s premises. If Customer claims tax-exempt status, Customer agrees to provide evidence of such tax exemption to PowerSchool. To the extent that such tax exemption cannot be properly claimed or does not extend to certain taxes or transactions, Customer will be responsible for any and all taxes and assessments that arise from this Agreement and related transactions (except for taxes based upon PowerSchool’s net income). Customer will pay a monthly charge of 1.5% (18% annually) on all amounts not paid when due, or, if a lower maximum rate is established by law, then such lower maximum rate. All pricing set forth in any PowerSchool Quote or invoice will be in United States dollars unless otherwise specified.

6. THIRD PARTY SOFTWARE LICENSE TERMS; EMBEDDED APPLICATIONS; OPEN-SOURCE SOFTWARE. Third Party Software is licensed directly to the Customer pursuant to separate license terms between Customer and a third-party supplier. Third-Party Software is not owned or supported by PowerSchool. All support, warranties, and services related to Third-Party Software are provided by the supplier of the Third-Party Software under such third party’s terms and conditions, and not by PowerSchool. PowerSchool will have no obligations regarding any Third-Party Software. Further, PowerSchool will not be responsible for providing support: (i) for problems caused by Customer’s use of or access to the PowerSchool Product(s) other than as intended; (ii) for any use in violation of this Agreement; or (iii) for any unauthorized modifications made to the PowerSchool Product(s) by Customer or any third party. the event the need for Support Services provided are traced to a Customer's or a third party's actions, unauthorized use, or system changes; fees and expenses for said Support Services may be billed to Customer at PowerSchool's then current rates which Customer will promptly pay. Only Section 5, 6, 9 and 12 of this Agreement apply to Third-Party Software. In addition, PowerSchool Products(s) may contain Embedded Applications. If any additional license terms are identified in [Exhibit E \(Product Specific Terms\)](#), Customer will comply with such conditions with respect to such applications. Certain Embedded Applications may also be subject to "open source" licensing terms. In some cases, the open-source licensing terms may conflict with portions of this Agreement, and to the extent of any such conflict, the open-source licensing terms will govern, but only as to the software components subject to those terms. Notwithstanding the foregoing, Customer acknowledges that if any open-source software component is licensed under terms that permit Customer to modify such component, and if Customer does modify such component, then PowerSchool will not be responsible for any incompatibility due to such modifications.

7. PRICING; ENROLLMENT INCREASES.

Pricing for access to PowerSchool Product(s) is based on the quantity identified in the applicable Quote. If Customer accesses PowerSchool Product(s) with more than the quantity identified in the applicable Quote, then PowerSchool may submit an amended invoice for the amount of such excess usage, and Customer will pay the fees applicable to the variance in accordance with the terms of the applicable invoice. Any such increase in quantity will be maintained through the end of the then-current term. Such additional fees will be computed by multiplying the then-current per individual license and support fees for PowerSchool Product(s) by Customer's additional User count. Customer's subsequent Support Services invoices will be based on the increased Users as well.

8. COMPATIBLE PLATFORMS/HARDWARE.

Where applicable, Customer will be responsible for obtaining and maintaining all telephone, computer hardware, and other equipment needed for access to and use of the

PowerSchool Product(s) and all charges related thereto. Customer is responsible for obtaining and maintaining an appropriate operating environment with the necessary hardware, operating system software and other items required to use and access PowerSchool Product(s). PowerSchool will not be responsible for any incompatibility between PowerSchool Product(s) and any versions of operating systems, hardware, browsers, or other products not specifically approved in writing by PowerSchool for Customer's use with PowerSchool Product(s). PowerSchool will make written requirements available to Customer at Customer's request.

9. LIMITED WARRANTY.

PowerSchool warrants that the media on which Subscription Service(s) is recorded will be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase. For any claimed breach of a warranty above, the Customer and PowerSchool agree to first negotiate a resolution in good faith; and, if necessary, refer the matter to senior representatives of each Party for timely resolution.

10. DISCLAIMER OF OTHER WARRANTIES.

POWERSCHOOL PRODUCT(S) ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND (EXCEPT AS PROVIDED IN SECTION 9), AND POWERSCHOOL AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A

11.2 Subscription Term. The subscription term of each license for Subscription Service(s) will be as specified in the applicable Quote, which specifies a start and end date. Except as otherwise specified in a Quote, renewal of promotional or one-time priced subscriptions or licenses will be at PowerSchool's discretion.

11.3 Suspension. PowerSchool will have the right to suspend performance of certain obligations under this Agreement in the event where Customer is notified that an objective security threat arises so great as to warrant immediate action by

PowerSchool to protect the security of Customer data and the PowerSchool systems.

11.4 Termination for Breach. Either party will have the right to terminate this Agreement in whole or in part upon thirty (30) days written notice to the other party, in the event the other party materially breaches this Agreement and fails to correct such breach within such thirty (30) day period; provided that PowerSchool will have the right to terminate this Agreement immediately upon written notice in the event that Customer breaches any of its obligations under Section 2 (PowerSchool Product Subscription) or **Section 3** (Proprietary Rights). Customer further acknowledges that, as breach of the provisions of **Section 3** could result in irreparable injury to PowerSchool, PowerSchool will have the right to seek equitable relief against any actual or threatened breach thereof, without proving actual damages.

11.5 No Termination for Convenience. Customer is not entitled to terminate this Agreement for any reason other than for the specific reasons set out in this Agreement or as expressly mandated by law. No termination for convenience will be permitted.

11.6 Termination for Non-Appropriation. The Parties acknowledge and agree that if Customer is a governmental entity that is bound to statutory provisions that prevent it from committing to the payment of funds beyond its fiscal year, and if funds are not allocated for the PowerSchool Product(s) and Services captured in an applicable Quote that are the subject of this Agreement following the commencement of any succeeding fiscal year during which the Quote may continue, then Customer may terminate the applicable Quote without liability for any termination charges, fees, or penalties at the end of its last fiscal period for which funds were appropriated. Customer will be obligated to pay all charges incurred through the end of the last fiscal period for which funds were appropriated. Customer will give PowerSchool written notice that funds have not been appropriated (a) immediately after Customer receives notice of such non-appropriation; and (b) at

least thirty (30) days prior to the effective date of such termination. Customer will not utilize this clause as a right to terminate any Quote nor this Agreement for convenience. PowerSchool reserves the right to seek documentation evidencing such non- appropriation of funds.

11.7 Effects of Termination. In the event of any termination of all or any portion of this Agreement, Customer will not be relieved of any obligation to pay any sums of money that have accrued prior to the date of termination. In addition, the provisions of Sections 3, 5, 6, 9, 11, 12, 13 and 14 will survive termination of this Agreement. Immediately upon any termination of Subscription Service(s) under this Agreement, Customer will, at its own expense, either return to PowerSchool or destroy all copies of such PowerSchool Product(s), and Customer's authorized representative will forward written certification to PowerSchool that all such copies of such PowerSchool Product(s) have either been destroyed or returned to PowerSchool. In the event that Customer enters into a multi-year Quote with PowerSchool and Customer terminates the contract or any portion thereof, Customer agrees to pay PowerSchool the remaining sum due to PowerSchool through the stated term in the applicable Quote, as actual damages being impossible to calculate. This clause will not apply in the event Customer terminates this Agreement as (a) a result of PowerSchool's breach in accordance with Subsection 11.4 herein, or (b) as a result of non-appropriation of funds in accordance with Subsection 11.6 herein.

12. LIMITATION OF LIABILITY. POWERSCHOOL WILL NOT BE LIABLE TO CUSTOMER FOR ANY SPECIAL, EXEMPLARY, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES; OR LOST PROFITS, LOST FUNDING, LOST SAVINGS, OR LOST OR DAMAGED DATA; OR FOR CLAIMS OF A THIRD PARTY; ARISING OUT OF THIS AGREEMENT, SUBSCRIPTION SERVICE(S), SUPPORT, SERVICES, OR OTHER ITEMS PROVIDED, OR THE USE OR INABILITY TO USE ANY OF THE FOREGOING, EVEN IF POWERSCHOOL HAS BEEN ADVISED OF THE POSSIBILITY

OF SUCH DAMAGES OR THEY ARE FORESEEABLE. IN ANY EVENT, IN RESPECT OF ANY CLAIM, DEMAND, OR ACTION ARISING OUT OF THIS AGREEMENT, CUSTOMER WILL BE LIMITED TO RECEIVING ACTUAL AND DIRECT DAMAGES IN A MAXIMUM AGGREGATE AMOUNT EQUAL TO THE CHARGES PAID BY CUSTOMER TO POWERSCHOOL HEREUNDER FOR THE APPLICABLE POWERSCHOOL PRODUCT(S) ON WHICH THE CLAIM IS BASED IN THE PREVIOUS TWELVE (12) MONTHS. IN ADDITION, IN NO EVENT WILL THE LIABILITY OF POWERSCHOOL RELATING TO POWERSCHOOL PRODUCT(S) EXCEED THE TOTAL AMOUNT OF MONEY PAID BY CUSTOMER TO POWERSCHOOL DURING THE IMMEDIATELY PRECEDING TWELVE (12) MONTH PERIOD WITH RESPECT TO THE PARTICULAR SUBSCRIPTION SERVICE(S), SUPPORT SERVICES OR HOSTING SERVICES, OR PROFESSIONAL SERVICES ON WHICH THE CLAIM IS BASED.

13. INDEMNIFICATION.

13.1. Indemnification by PowerSchool.

Subject to Section 12 (LIMITATION OF LIABILITY), PowerSchool hereby agrees to defend, indemnify, and hold harmless the Customer from and against any and all losses, liabilities, costs, expenses and damages arising out of or relating to any claim by a third party alleging infringement of any Intellectual Property Rights as to the PowerSchool Product(s), provided that PowerSchool will have received from Customer (i) prompt written notice of such claim; (ii) the exclusive right to control and direct the investigation, defense, and settlement of such claim; and (iii) all reasonable and necessary cooperation of Customer.

If Customer's use of the PowerSchool Product(s) is enjoined, PowerSchool may (i) substitute for the PowerSchool Product(s), a substantially and functionally similar product(s) and documentation; (ii) procure for Customer the right to continue using the PowerSchool Product(s); or if (i) or (ii) are not possible after reasonable commercial efforts from PowerSchool, then PowerSchool may terminate this Agreement and credit a pro-rated return of unused

portion of the paid fee.

The foregoing obligation of PowerSchool does not apply to the extent the claim arises from (i) modifications to the PowerSchool Product(s) by anyone other than PowerSchool; (ii) combinations of the PowerSchool Product(s) with products or processes not provided or authorized by PowerSchool; or (iii) any unauthorized use, access, or distribution of the PowerSchool Product(s).

13.2. Indemnification by Customer. To the extent permitted under applicable law, Customer agrees to indemnify and hold PowerSchool harmless against and from any claim, demand, expenses, or losses, including reasonable legal fees (including but not limited to attorney’s fees, costs and expenses), made by any third party against PowerSchool due to or arising out of: (a) Customer’s access, use of and/or connection to the PowerSchool Product(s); (b) Customer’s sharing of any content obtained through access or use of the PowerSchool Product(s) to any third party; (c) Customer’s violation of Section 2 (PowerSchool Products Subscription), or Section 3 (Proprietary Rights); (d) information Customer sent, submitted, electronically received, accessed, printed, downloaded, or transmitted through the PowerSchool Product(s); or (e) Customer’s gross negligence or willful misconduct.

During the term of the Agreement and for a period of one (1) year following its termination, PowerSchool has the right to verify Customer’s full compliance with the terms and requirements of the Agreement. Customer must (a) provide any assistance reasonably requested by PowerSchool or its designee in conducting any such audit, (b) make requested personnel, records, and information available to PowerSchool or its designee, and (c) in all cases, provide such assistance, personnel, records, systems access and information in an expeditious manner to facilitate the timely completion of such compliance verification. If such verification process reveals any noncompliance, Customer must promptly cure any such noncompliance; provided, however, that the obligations under this section do not constitute a waiver of PowerSchool’s termination rights and do not affect PowerSchool’s right to payment for access to PowerSchool Product(s) and Services and interest fees related to usage in excess of the quantities purchased.

14.3 Amendment. This Agreement may only be amended or modified by a writing specifically referencing the particular section(s) of this Agreement to be modified and signed by authorized representatives of the Parties.

14.5 Severability. If any provision of this Agreement is held to be illegal, invalid, or unenforceable, that provision must be severed or reformed to be enforceable, and the remaining provisions hereof and thereof will remain in full force. No delay or omission by either Party in the exercise or enforcement of any of its powers or rights hereunder will constitute a waiver of such power or right. A waiver by PowerSchool of any provision of this Agreement must be in writing and signed PowerSchool and will not imply subsequent waiver of that or any other provision.

14.6 Payments. Customer agrees that its payment and other obligations under this Agreement are absolute and unconditional and not subject to any abatement, reduction, setoff, defense, counterclaim, or recoupment due or alleged to be due as a result of any past or future claim that Customer may have against PowerSchool. Specific payment terms may be captured on the PowerSchool Quote. Customer agrees that it will use its best efforts to cooperate with PowerSchool and will execute and deliver any and all documents in addition to those expressly provided for herein that may be necessary or appropriate to afford PowerSchool the opportunity to adequately provide the PowerSchool Product(s) and Services. Payment terms are defined in the applicable Quote.

14.9 Assignment. Neither PowerSchool or Customer may make any assignment of this Agreement or any interest herein, by operation of law or otherwise, without the prior written consent of the other; provided, however, that PowerSchool may assign its rights and obligations under this Agreement without the consent of the Customer in the event PowerSchool hereafter effects a corporate reorganization, consolidates with, or merges into, any person or transfers all or substantially all of its properties or assets to any entity. This Agreement will inure to the benefit of and be binding upon the Parties, their respective successors, executors, administrators, heirs and permitted assignees.

14.10 Facilities. Customer acknowledges that certain Services are intended to be performed by PowerSchool off-site (e.g., through remote communication capabilities). If any portion of the work will be performed on Customer's premises, Customer agrees to provide appropriate access to utilities, workspace, and other on-site accommodations reasonably necessary to enable PowerSchool to perform such work.

14.11 Background Checks. Given the nature of the data we process, PowerSchool conducts thorough nationwide and province-wide background checks, including criminal records, terrorist watch list, sex offender database and a multi-panel drug test on all employees. PowerSchool also requires its contractors, under its separate agreement, to conduct a

background check of its employees before any assignment of services from PowerSchool to the Customer.

14.12 Export. Without in any way limiting the restrictions on transfer set forth elsewhere in this Agreement, Customer specifically agrees that Customer will not, directly or indirectly, export or transfer any export-controlled commodity, technical data or software: (a) in violation of any laws, regulations, rules, or other limitations imposed by any government authority; nor (b) to any country for which an export license or other governmental approval is required at the time of export, without first obtaining all necessary licenses or other approvals.

14.14 Essential Basis of the Agreement. Customer acknowledges and understands that the disclaimers, exclusions, and limitations of liability set forth in this Agreement form an essential basis of the agreement between the Parties, that the Parties have relied upon such disclaimers, exclusions, and limitations of liability in negotiating the terms and conditions herein, and that absent such disclaimers, exclusions, and limitations of liability, the terms and conditions of the Agreement would be substantially different.

14.15 Attorney Fees. In the event any court action is commenced by one party against the other with respect to any dispute arising out of this Agreement or any Quote or Statement of Work, the prevailing party will be entitled to recover its out-of-pocket and court costs and reasonable

attorney fees relating thereto. The cost of in-house legal staff will be valued at market rates for comparable services from private practitioners.

14.16 Security. Customer agrees to require annual cyber security training for User(s) when reasonably applicable. Customer will also require User(s) to utilize multi-factor authentication to access computer systems with PowerSchool Product(s) when reasonably applicable. Customer must keep a record of completion certificates and PowerSchool may request to see them as part of compliance verification.

14.17 Entire Agreement. This Agreement and/or exhibits referenced herein, and any addendums and amendments, constitute the complete and entire agreement between the Parties with respect to its subject matter, and supersedes all prior discussions, understandings, arrangements, proposals, and negotiations with respect to same. The terms and conditions of this Agreement will prevail notwithstanding any variance with the terms and conditions of any purchase order or other documentation submitted by Customer with respect to PowerSchool Product(s) or any Services, and PowerSchool hereby refuses any such different or additional provisions in purchase orders or other documents. By mutual agreement of the Parties, this Agreement is effective upon execution of a Quote incorporating this Agreement or by execution of the Agreement itself, supersedes all prior agreements, terms, etc. entered into by the Parties, the Parties’ agents, and/or the Parties’ previous affiliates on PowerSchool Product(s) or Services. EXHIBIT A

SUPPORT POLICY

1. Definitions. Capitalized terms not defined herein have the meanings assigned to them in the Agreement between Customer and PowerSchool to which these Support and Services Policies (“Policies”) are attached. In addition, for purposes of these Policies, the following definitions will apply:

1.1 “Errors” means a reproducible failure of Subscription Service(s) to operate in accordance with its standard Documentation, despite the proper installation and use of the Subscription Service(s) in a proper operating environment and on hardware and system software sufficient to meet PowerSchool’s then-current minimum requirements, which are subject to change as New Versions are released. User(s) mistakes are not Errors within the meaning of these Policies. Errors may be due to problems in Subscription Service(s), the Documentation, or both.

1.2 “Fix” means a patch, service pack or corrective update of Subscription Service(s) that PowerSchool may prepare in its discretion on an interim basis, prior to issuance of a New Version, to correct programming Errors that prevent or obstruct normal operation of Subscription Service(s) in accordance with the applicable Documentation and developed by PowerSchool.

1.3 “New Products” means new products, programs or modules offered by PowerSchool and are distinguished from New Versions and Fixes. New Versions and Fixes may include New Products that provide features, functions or applications not included in the Subscription Service(s) originally licensed by Customer and for which additional license fees apply as determined by PowerSchool to access. A New Product may be usable with or in addition to the Subscription Service(s) originally licensed by Customer. New Products will be licensed to Customer in accordance with the applicable Quote under the terms of this Agreement,

1.4 “New Version” means an updated version of Subscription Service(s) issued by PowerSchool, which may include Fixes, together with such other modifications, updates, enhancements, and improvements to Subscription Service(s) that PowerSchool may, in its discretion, develop and deem ready for distribution and that PowerSchool standardly provides to all customers with a current support subscription to such Subscription Service(s).

1.5 “Support Services” means those support services described in Section 3.1 below that will be provided hereunder with respect to Subscription Service(s).

1.6 “Telephone and E-mail Support” means telephone and e-mail support services, available Monday through Friday, during PowerSchool’s normal business hours, exclusive of PowerSchool’s holidays, regarding Subscription Service(s).

2. Support Term; Fees. Support is provided as a part your purchased Subscription Service(s) listed on the Quote. Support with your Subscription Service(s) will continue with the duration of your purchase of a Subscription Service(s). For Support Services of an on-premise subscription Support will begin upon shipment (FOB PowerSchool’s place of shipment) of Subscription Service(s) (or, in the case of a when made available for download electronically, upon PowerSchool’s provision of the necessary licensing information to enable Customer to download Subscription Service(s) or launch date when access to the Subscription Service(s) is provided.

3. Support Services Scope. PowerSchool, or an entity under contract with and authorized by PowerSchool to provide Support Services, will provide Support Services for Subscription Service(s). The scope of Support Services will be as follows:

3.1 Support. Support Services include: (a) Telephone and E-mail Support; (b) access to an online support website, as maintained by PowerSchool for customers maintaining a current support subscription; (c) Fixes, as developed and made generally available by PowerSchool in its discretion to address Errors that Customer is experiencing in using the Subscription Service(s); and (d) New Versions, as developed and made generally available by PowerSchool. Support Services do not include New Products. PowerSchool determines, in its sole discretion, what constitutes a New Product (for which additional license fees apply), and what improvements and enhancements to existing functionality of a Subscription Service(s) are to be included in a New Version (and are therefore provided at no charge to customers with a current

support subscription).

32 Custom Programs. For any custom programs developed for Customer by PowerSchool, Support Services are available only on a time and materials basis at PowerSchool's current rates and charges for these services; support for custom programs is not included in Support Services. In addition, to the extent that the Subscription Service(s) includes any functionality that allows the user to customize screens or reports, PowerSchool will support the application infrastructure utilized to create such customizations but will not be responsible for supporting any such customizations.

EXHIBIT B

PROFESSIONAL SERVICES POLICY

This Exhibit B sets forth the additional policy and party expectations supporting PowerSchool's provision of Professional Services to the Customer in connection with the solution provided pursuant to this Agreement.

1. Performance of Professional Services.

1.1. Statements of Work. For many professional services projects, PowerSchool will capture the project details in a signed statement of work (each a Statement of Work" or "SOW") setting forth the agreed upon scope of the professional service, estimated or actual pricing and any special payment terms and, if applicable, project schedule, and estimated delivery dates. Both Parties will execute each Statement of Work and each is incorporated into this Agreement. For professional services projects not requiring the completion of a SOW, alignment between the Parties on such services are captured in a request form, change order or in the signed Quote. If there is a conflict between the terms set forth in this Agreement and a Statement of Work, the terms set forth in the applicable Statement of Work will control.

1.2 Delivery and Cooperation. Customer acknowledges that Customer's cooperation is essential to the timely performance of PowerSchool's services. Customer will, to the extent required in connection with the performance of PowerSchool's services: (i) provide PowerSchool with any necessary Customer materials; (ii) provide PowerSchool with any required access to Customer's personnel, facilities, or data; (iii) cause the appropriate personnel to cooperate with PowerSchool as required for PowerSchool to provide PowerSchool's Professional Services, including responding promptly to questions or issues; and (iv) make all payments when due. Customer's delay or failure to do so may delay the estimated delivery schedules set forth in the Statement of Work or otherwise communicated to the Customer. If Customer fails to do any of the foregoing, both Parties will cooperate in good faith to develop a revised written delivery schedule and written Statement of Work or change order signed by both Parties with new pricing. Unless otherwise expressly agreed in a Statement of Work, all Professional Services will be deemed accepted upon delivery. Customer will have fifteen (15) days from delivery to contest acceptance. Any contestation must be in writing and must conform with this Agreement's Notice provision.

2. Fees and Expenses. In addition to providing Support Services during the Support Term, PowerSchool will perform such other Professional Services (training, installation, consulting, project management, etc.) as may be specified in a Quote, written acknowledgment of Customer's order, or as may be subsequently agreed upon by the Parties in a SOW; provided that PowerSchool may, at its option, arrange for any such services to be performed by another entity on behalf of PowerSchool. Customer agrees to pay for such services at the rates and charges specified in PowerSchool's written acknowledgment of Customer's order, or, for work subsequently requested, at the rates agreed upon by Customer and PowerSchool for such subsequent work. PowerSchool reserves the right to require a purchase order or equivalent documentation from Customer prior to performing any such Services, or to require prepayment of certain Services. Unless otherwise specified, all rates quoted are for services to be performed during PowerSchool's normal business hours; additional charges may apply for evenings, weekends or holidays. Unless otherwise agreed, the Customer will also pay PowerSchool for travel expenses (lodging, meals, transportation, and other related expenses) incurred in the performance of services. All such additional charges will be due and payable concurrently with payment for services. PowerSchool reserves the right to impose a minimum labor charge for each on-site visit. The rates and charges specified in PowerSchool's acknowledgment of Customer's order will apply to those services originally ordered; however, PowerSchool reserves the right to change service rates or other terms as a condition of entering into any subsequent service engagement. If Customer pays in advance for any services, all services must be scheduled and delivered within twelve (12) months of such payment, unless otherwise agreed in writing by PowerSchool; any portion of any prepaid services amount that has not been used by Customer toward services rendered within such twelve (12) month period will be forfeited.

3. Training. PowerSchool reserves the right to limit the number of persons permitted to attend any training class based upon PowerSchool's current understanding of the project scope and past experience in executing these types of engagements.

4. **Changes to Project Scope.** Customer may request changes to the scope of a Statement of Work. Any changes to the scope of a Statement of Work will result in a change order to such Statement of Work or a new Statement of Work. Any scope changes will be made pursuant to the terms set forth in a Statement of Work, to be mutually agreed upon by the Parties.

5. **Services Cancellation.** Customer will pay a cancellation charge equal to fifty percent (50%) of the services fee and any non-refundable expenses incurred by PowerSchool if Customer cancels any scheduled professional services less than fourteen (14) days before the occurrence of any service dates that PowerSchool has scheduled at Customer's request.

6. **Ownership of Materials.** PowerSchool is the owner of all copyrights, patent rights and other intellectual property rights in any software code, documentation, reports, or other deliverables (collectively, "Deliverables") created for or provided to Customer pursuant to any Professional Services, unless otherwise agreed to in writing. Provided that all PowerSchool fees and expenses associated with the development and provision of such Deliverables are paid timely, Customer will have a paid-up, royalty-free license to use such Deliverables for Customer's internal use only, solely for the purpose for which such Deliverables were provided. Nothing in this Agreement will prevent PowerSchool from providing any Deliverables to PowerSchool's other customers or third parties. Notwithstanding the foregoing, PowerSchool acknowledges and agrees that any confidential information of a Customer incorporated into any Deliverable remains subject to the provisions of such Section.

7. **Data Loads.** For most Subscription Service(s), successful implementation requires proper data loads in specific formats and layouts. PowerSchool will inform the Customer of the specific instructions such as data file layouts to support the data load for the implementation of a Subscription Service. If the Customer is unable to provide the data as required, PowerSchool may offer services to complete the data load at an additional charge. If such services are purchased, Customer agrees to follow PowerSchool's specific instructions and use best efforts to support the data load activity as outlined by PowerSchool any such data load or migration. PowerSchool will not directly access non-PowerSchool applications to assist the Customer in any data migration activity. Successful implementation is the shared obligation of both Parties.

EXHIBIT C

HOSTING SERVICES POLICY

1. Term; Fees. Hosting Services on-premises are available at an additional cost. For Hosting Services purchased concurrently with Customer's access to Subscription Service(s), Customer's initial Hosting Term will begin as of the start date listed on the signed Quote and terminate one (1) year thereafter, ("Hosting Term") unless a different Hosting Term is specified in the Quote, or unless terminated earlier in accordance with the terms of these Policies or the Agreement. Either Party may terminate the provision of Hosting Services as of the end of the then-current Hosting Term by providing written notice to the other party prior to the end of the then-current Term that such party does not wish to renew the Hosting Term. PowerSchool will provide Customer with at least sixty (60) days' notice if PowerSchool determines that it will no longer offer Hosting Services to Customer (but in any event will continue providing Hosting Services for the balance of the current term for which Customer has prepaid for such Hosting Services). If notice of non-renewal is not given by either party, then PowerSchool will invoice Customer for the applicable renewal fees for a subsequent Hosting Term. If Customer's Hosting Term is terminated due to non-payment, and then PowerSchool subsequently reinstates Customer's access to Hosting Services, such reinstated access will remain subject to the terms of these Policies and payment of applicable reinstatement fees. For the initial Hosting Term, Customer must pay the charges specified in PowerSchool's initial invoice. For renewal Terms, Customer must pay PowerSchool's then-current annual Hosting Services fees. PowerSchool may supply new or modified Support and Services Policies or other terms and conditions to Customer related to the provision of Hosting Services in a renewal term, in which event such new or modified Support and Services Policies or other terms and conditions will govern PowerSchool's provision of Hosting Services in such renewal term.

2. Availability. Customer acknowledges that the Subscription Service(s) may be inaccessible or inoperable from time to time due to planned maintenance or to causes that are beyond the control of PowerSchool or are not reasonably foreseeable by PowerSchool, including, but not limited to: a force majeure event as defined in the Agreement, the interruption or failure of telecommunication or digital transmission links; hostile network attacks; network congestion; or other failures (collectively "Downtime"). PowerSchool will use commercially reasonable efforts to minimize any disruption, inaccessibility and/or inoperability of the Subscription Service(s) caused by Downtime, whether scheduled or not. The foregoing does not apply to non-production systems, such as test, training, and archival systems, which are available on an hourly basis.

3. Acceptable Use Policy. Customer acknowledges that PowerSchool does not monitor or police the content of communications or Customer data or its users' activities transmitted through the Subscription Service(s), and that PowerSchool will not be responsible for the content of any such communications or transmissions. Customer must use the Subscription Service(s) exclusively for authorized and legal purposes, consistent with all applicable laws and regulations and PowerSchool's policies. Customer agrees not to post or upload any content or data which: (a) is libelous, defamatory, obscene, pornographic, abusive, harassing or threatening; (b) violates the rights of others, such as data which infringes on any intellectual property rights or violates any right of privacy or publicity; or (c) otherwise violates any applicable law. PowerSchool may remove any violating content posted or transmitted through the Hosting Services, without notice to Customer. PowerSchool may suspend or terminate any User(s) access to the Hosting Services upon notice in the event that PowerSchool reasonably determines that such User(s) has violated the terms and conditions of this Agreement.

4. Security. In addition to complying with "Exhibit D: Security and Privacy", Customer will not: (a) breach or attempt to breach the security of the Hosting Services or any network, servers, data, computers or other hardware relating to or used in connection with the Hosting Services, or any third party that is hosting or interfacing with any part of the Hosting Services; or (b) use or distribute through the Hosting Services any software, files or other tools or devices designed to interfere with or compromise the privacy, security or use of the Hosting Services or the operations or assets of any other customer of PowerSchool or any third party. Customer will comply with the user authentication requirements for use of the Hosting Services. Customer is solely responsible for monitoring its authorized User(s) access to and use of the

Hosting Services. PowerSchool has no obligation to verify the identity of any person who gains access to the Hosting Services by means of an access ID. Any failure by any authorized User(s) to comply with the Agreement is a material breach by Customer, and PowerSchool will not be liable for any damages incurred by Customer or any third party resulting from such breach. Customer must immediately take all necessary steps, including providing notice to PowerSchool, to effect the termination of an access ID for any authorized User(s) if there is any compromise in the security of that access ID or if unauthorized use is suspected or has occurred. POWERSCHOOL WILL NOT BE RESPONSIBLE FOR ANY COSTS OR EXPENSES RELATED TO A SECURITY INCIDENT THAT IS CAUSED BY THE ACTS OR OMISSIONS, MISCONDUCT, NEGLIGENCE, OR FRAUD BY OR OF CUSTOMER OR ANY USER(S), EMPLOYEES, AGENTS, OR CONTRACTORS.

5. Data. Customer has sole responsibility for the legality, reliability, integrity, accuracy, and quality of the data it processes through and submit to the Hosting Services.

EXHIBIT D

DATA PRIVACY AND SECURITY

1. Ownership of Materials; Confidentiality; Compliance.

- 1.1. PowerSchool Materials.** All pre-existing proprietary data, materials and other intellectual property of PowerSchool that is provided to Customer by PowerSchool in connection with the performance of this Agreement (collectively, “**PowerSchool’s Pre-existing Intellectual Property**”) will remain PowerSchool’s property, except where any written or other tangible materials or customizations delivered to Customer under a specific Statement of Work and Quote is licensed differently.
- 1.2. Customer Data.** PowerSchool will maintain all Customer Data in strict confidence and will not disclose any such Customer Data, or copies thereof, to any person or entity other than Customer’s legal counsel or Customer’s designated contact, or pursuant to the Agreement. The data shared pursuant to this Agreement, including persistent unique identifiers, will be used for no purpose other than the performance of the Services, improvement of PowerSchool Product(s), or internal research. Should PowerSchool, either during or following termination of the Agreement, desire to use any Customer Data for its own purposes not contemplated in this Agreement, it must first obtain the prior written approval of Customer. Customer Data will not include De-identified Data and Transaction Data.
- 1.3. Ownership.** PowerSchool acknowledges that Customer and User(s) retain full right and ownership to and control of all of their data, which includes User-provided or User-generated content (such content not encompassing any modifications to PowerSchool’s Pre-existing Intellectual Property), unless such rights are specifically granted to PowerSchool in a writing signed by Customer and the User(s) or, if the User(s) is a minor child, by the child’s parent/guardian. PowerSchool agrees not to edit or use any information or content, including any Customer Data, generated or obtained from Customer or User(s), whether submitted on PowerSchool’s Site or otherwise obtained, unless: (1) integral to and clearly contemplated by the particular nature of the Services or otherwise permitted pursuant to this Agreement, or (2) written consent is first procured from and through the Customer.
- 1.4. Compliance.** The Parties acknowledge that Customer Data may include personal information from education records that are subject to applicable privacy and data security laws of the applicable jurisdiction. Where required, Customer acknowledges it has obtained all appropriate consents from the parents or pupils related to the Customer Data sufficient to grant PowerSchool the permission to conduct data processing services on such Customer Data on behalf of the Customer. Where requested, PowerSchool will execute and append the applicable standard contractual clauses to support data transfer from data controllers to PowerSchool as a data processor.
- 1.4.1. Canada.** For engagements with Customers and Users located in Canada and any of its provinces, the Parties acknowledge such Customer Data will be subject to public sector or private sector data protection laws, as applicable, including the Personal Information Protection and Electronic Documents Act, and any substantially similar provincial law.
