DISCUSSION:

A Request for Proposal (RFP) was issued seeking a qualified consultant/firm to help the district with engaging a multi-month Design Thinking project as it relates to the district’s strategic plan Objective A4: *Ensure that the open enrollment/choice programs, policies, and procedures are dedicated to providing all students access to high-quality and innovative educational programs across the district.* There were two proposals received and after review, it has been determined to be in the best interest of the School Board to reject all proposals and reissue the solicitation with a revised scope of service.

In accordance with Florida Statute 119.071, (1) (b) 3. “The rejected bids, proposals, or replies remain exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation. A bid, proposal, or reply is not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.”

The standard RFP template has been used, which does not require legal review.

CONTRACT TERM: N/A
