DISCUSSION:

The School Board of Brevard County has many exterior basketball and tennis courts, running tracks and other asphalt and concrete play surfaces scattered throughout the school district. Maintenance does not have the resources and skills to maintain, repair and restripe these sports surfaces. A professional sport surfacing company is needed.

The standard Invitation to Bid template has been used, which does not require legal review.

CONTRACT TERM:

The initial contract term shall commence August 11, 2021 and continue until August 10, 2024 with an optional one (1) two-year renewal period.

RECOMMENDATION:

It is the recommendation of Susan Hann, P.E., Assistant Superintendent of Facilities Services and James Ross, Director of Plant Operations and Maintenance to approve the Court Resurfacing and or Striping ITB with Nidy Sports Construction Company, Inc. in the amount of Variable.
