PRICE INCREASE / DECREASE EXPLANATION:

The price increase is due to the following reasons. The first reason is that we held a credit for 4,296 student editions that were purchased as part of the 5 year adoption process that were able to be used for the 2022-2023 school year. Additionally, the price per edition was \$6.55 for the 2022-2023 school year and has increased to \$8.15 per edition for the 2023-2024 school year.

DISCUSSION:

Elementary Social Studies instructional materials were last adopted in 2017, with the subscription for consumable materials ending in the 2021-2022 school year. There was no adoption for Social Studies instructional materials in the 2022-2023 school year. The next adoption cycle is to be in 2024 with newly adopted materials being implemented in classrooms in the 2024-2025 school year. This year(s) between agreements is referred to as a “gap year”. In this period, the district must pay for the extension of the subscription services. These materials are published by Studies Weekly. The attached Exhibit “A” is a description of costs and discounts associated with this purchase.

The standard bid waiver agenda template has been used, which does not require legal review.

CONTRACT TERM:

The initial contract term shall commence May 31, 2023 and continue until June 30, 2024.

RECOMMENDATION:

It is the recommendation of Jane Cline, Assistant Superintendent, Elementary Leading and Learning and Tara Harris, Director, Elementary Leading and Learning to approve the attached agreement with Studies Weekly in the amount of \$262,372.95.
