DISCUSSION:

The Office of Early Learning (OEL)/Department of Education (DOE) distributed funds for districts to provide a summer program for rising kindergarten students based on practices that produce the greatest gains, targeted to support students with the most significant academic need. The program was to help students acclimate to kindergarten, and to provide a jump start to kindergarten concepts and skills and provide instruction to close and remediate achievement gaps in early literacy. The program was extended to October 31, 2020 to provide additional supports to kindergarten students who may not have had the opportunity to participate in the summer portion of the program. The OEL/DOE funds will be used to purchase Fountas & Pinnell Complete Classroom Guided Reading Collections for Kindergarten. The research-based materials will be provided to schools for use by all BPS kindergarten teachers to instruct their kindergarten students on closing and remediating achievement gaps. Training and support on use of the materials will be provided by the publisher and the Leading and Learning early childhood team.

The standard bids waived template has been used, which does not require legal review.

CONTRACT TERM:

The contract term shall commence October 28, 2020 and continue until December 31, 2020.

RECOMMENDATION: It is the recommendation of K. Jane Cline, Assistant Superintendent of Elementary Leading & Learning, and Marilyn Chappie, Director of Elementary Leading & Learning to approve 21-208-BW-HD for Heinemann in the amount of \$399,620.00
