**PRICE INCREASE / DECREASE EXPLANATION:** N/A

**DISCUSSION:**

Plant Operations & Maintenance utilizes contracted services for gym/stage floor refinishing and repairs. All gym floors receive a screen and coat treatment annually. The drum sanding is done every 10-12 years. The work is typically done during summer, spring or winter break depending on the needs of the school.

The recommendation is to award to all vendors. The District currently has only one vendor under contract and they are not able to meet the demand for services. The current vendor (Trident) is among the four recommended vendors.

The standard Invitation to Bid template has been used, which does not require legal review.

**CONTRACT TERM:**

The initial contract term shall commence June 14, 2023 and continue until June 13, 2026 with an optional one (1) two (2) year renewal period.

**RECOMMENDATION:**

It is the recommendation of Susan Hann, Assistant Superintendent of Facilities Services and James Ross, Director of Plant Operations and Maintenance to approve the award to the vendors listed above in a variable amount to allow the contract to be utilized on an as-needed basis.

**AUTHORITY FOR ACTION:**

Florida Administrative Code 6A-1.012
