Hi,

I was unable to attend the meeting on Dec 2nd. Will there be a meeting notes email coming out? I was curious if some children are grandfathered in, especially those with IEPs.

Thank you,
Lori

Hi Mr. Susin,

I am the mother of three children that attend Quest Elementary School, Isabelle, 5th grade, Charlotte, 3rd grade and Madeleine, 1st grade. My family lives in Fairway Lakes at Duran and would be part of the proposed change in elementary school for the 2021-2022 school year. I attended meetings last year regarding proposed boundary changes and spoke with you in person, Mr. Susin. At that time, you had guaranteed that my children would be grandfathered into Quest Elementary, should we choose. I am writing to ask if it is still the plan to grandfather in children currently enrolled at Quest. It is important to my family that my oldest would be able to stay at Quest for her final year. The younger two children know and love the teachers and staff at Quest and would love to stay in a school that we have supported as a family since we started there six years ago.

Thank you for your time.

I vote no. If we get a vote.

We just moved here! My kids have had enough change due to being a military family. Please keep the boundary as it is. It would be nice to have them have the same school for 2 years in a row!
