PRICE INCREASE / DECREASE EXPLANATION: This contract piggyback was initially utilized under the \$50,000 threshold; however, the volume of security projects warranted establishing a variable contract amount with this vendor.

DISCUSSION:

State Board of Education Rule 6A-1.012(6) allows school districts to make purchases at or below the specified prices from contracts awarded by other city or county governmental agencies, other district school boards, community colleges, federal agencies, the public or governmental agencies of any state, or from state university system cooperative bid agreements, when the proposer awarded a contract by another entity will permit purchases by a district school board at the same terms, conditions, and prices (or below such prices) awarded in such contract, and such purchases are to the economic advantage of the district school board.

Integrated Fire & Security Solutions was awarded a contract by Collier County Public Schools, ITB# 23-090, Security Systems – Installation, Repair & Monitoring Services. This contract will be used on an as-needed basis for installation, maintenance and repair services relating to school security assets.

These school-site security projects are funded primarily through sales surtax and capital allocated for security. Maintenance and repair costs will be from budgeted operating funds.

The standard piggyback agreement template has been used, which does not require legal review.

CONTRACT TERM:

The initial contract term shall commence July 1, 2023 and continue until June 30, 2025 with three (3) one (1) year optional renewal periods.

RECOMMENDATION:

It is the recommendation of Susan Hann, Assistant Superintendent, Facilities Services and David Lindemann, Director, Planning & Project Management to approve the attached piggyback agreement with the above listed vendor in the amount of variable.
