DISCUSSION:

The requirement for requesting competitive solicitations for commodities or contractual services from three or more sources is hereby waived as authorized by Section 1010.04(4)(a), F.S., for the purchase by district school boards of educational services and any type of copyrighted materials including, without limitation, educational tests, printed or digital textbooks, printed instructional materials, computer software, films, filmstrips, videotapes, dvds, disc or tape recordings, digital recordings, or similar audio-visual materials, where such materials are purchased directly from the producer or publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution.

Mathematics instructional materials were last adopted in 2012.
