Dear Ms. Avey,

Congratulations! It is my privilege to inform you that the High School Concert Choir has been selected among many qualified applicants to participate in the Festival at Carnegie Hall: National Youth Choir with Jeffery Redding in 2024.

Your choir has been chosen to perform in the world-renowned music venue, Carnegie Hall, in collaboration with the finest school-aged singers in the United States and beyond! This event is sure to be thrilling, educational and memorable for all participants, and we are happy you have chosen to experience it with us.

If you or your administrators should have any questions or concerns about this event, please contact your Performing Tour Specialist.

In the fall we will send you a Festival Welcome Packet which includes detailed festival information, housing forms, and all music related information. A rehearsal recording link for your students will be sent at a later date. Students will be able to download the files to an mp3 player or burn to a CD at their convenience.

We look forward to this exciting season with you! If you have any questions or concerns, please do not hesitate to contact us.

Warmest Congratulations,

Marion Gomez
