

- Buzz Aldrin Middle School (Buzz Aldrin is a former astronaut, engineer, and fighter pilot. He was the second person to walk on the moon, and the Aldrin Family Foundation is working with the school to develop students' interest in STEAM--science, technology, engineering, art, and math)
- Viera Middle School (the location of the school and consistency with Viera Elementary and Viera High)
- Moore Middle School (Harry and Harriette Moore were both teachers and civil rights activists in Brevard County who were killed for their commitment to equal rights for all. The courthouse in Viera also is dedicated to them)
- Artemis Middle School (represents the space coast and the recent Artemis launch, which marked NASA's return to lunar exploration. It also alludes to the Greek goddess associated with the moon, hunting, and wild animals, which could make unique mascots)
- Mae Jemison Middle School (Mae Jemison is an engineer, physician, and former astronaut who was the first African-American woman in space, empowering students to reach for their dreams)
- Infinitus Middle School (Infinitus is Latin for "boundless" or "unlimited," which describes the vastness of space and the endless possibilities for students who attend the school)
